Wild Rose

12

1

Chapter 1 by Ashley

Wild rose is the 6 youngest. She is 15 years old. She is wild. She is always taking off the petals of the flowers. She is not sweet.

Chapter 2 by R

She'll never sit in one place for long. She'll grab some petals walking, crush others underneath. Sometimes she'll pick a flower and you'll find her walking in circuitous paths, letting the plucked petals trail behind her.

It is her who goes in to the forest with an axe or sword in hand. Sometimes she will come back with wood. Other times with trinkets. Most of the time she comes back with nothing, however, and none of her sisters go to find what she had spent all that time doing.

Each time any gift is dropped on the floor with no word. She doesn't talk, much. Mostly things spelled out in petals.

Or curse words.
